Foll. 1–14. *Ritusanhāras*, i. e. tempestatum cyclus, carmen *Kālidāsae* poetae tributum, quo anni Indici tempestates sex totidem capitibus celebrantur. Editiones exstant Guil. Jonesi, Bohleni, Haerberlini.

Textu cum Haerberlini editione collato haud exiguum lectionum varietatem notavi. Quibus equidem non multum auctoritatis tribuerim, quum maximam partem pro librariorum Bengallicorum more novandi libidine factae sint. De codice Parisiaco cf. Hamilton, p. 72.

Haec folia post annum 1810 exarata sunt. (WILSON 170<sup>a</sup>.)
